Maintenance and Service Requests – MRI Angus

Maintenance and service requests should be submitted through the MRI Angus portal. Please refer to the “Tenant Service Request Portal” section for more details.

All elevators contain an emergency telephone. For problems, press the call button and you will be connected to an operator. If the elevator is stalled between floors, stay calm. Property Management will dispatch an elevator technician to your location to get you out of the elevator as quickly as possible.

Please report any problems to Property Management through the MRI Angus work order system.

HVAC Service

Regular hours of operation for Heating and Air Conditioning vary according to the terms of tenant leases. For specific information for your premises, please reference your lease and contact Property Management with any questions.

Please note that all after hours heating and cooling requests must be placed through the MRI Angus work order system at least 48 hours in advance.

All overtime/after hours heating and cooling is an additional expense that is billable to the tenant. The rates of overtime hours can be found within your lease. Please contact the Property Management office with any questions regarding HVAC charges.

- At the end of each working day, please ensure all lights, coffee makers, and office machines are turned off
- During the warm months of the year, keep window shades down and during colder months, keep shades up
- Take advantage of our recycling program

Signage

All signage must conform to building standard and must be submitted to Property Management for approval prior to installation. Please reference your lease for further information regarding signage.

Smoking and Firearm Policy

All buildings within the Arena District are *smoke free*. Smoking is not permitted in any portion of the leased premises. This includes, but is not limited to, restrooms, hallways, lobbies, elevators, and stairwells. Smoking is prohibited within 50 feet of a building entrance. Designated smoking areas are distributed throughout the Arena District.

For security and safety, firearms and other weapons are strictly prohibited in all buildings, with the exception of law enforcement personnel.

Deliveries, Pickups, and Office Moves

Please note that the Arena District hosts several sporting and entertainment events throughout the year. Moves may have to be coordinated around these events.

Please notify Property Management at least 48 hours prior to any moving of furnishings in or out of the premises.

The moving contractor must provide Property Management a Certificate of Insurance prior to the move. Your moving contractor will be responsible for any damage to the building incurred during the move.

To avoid unnecessary damage:

- Freight elevators must be padded

Tenants must obtain advance approval from NRI utilizing space or hosting events outside of leased premises.

Sustainability in Action

Nationwide Protective Services

Nationwide Protective Services has a highly trained security force serving central Ohio corporate offices and associates. This effort is managed out of their corporate headquarters located at One Nationwide Plaza. This partnership has enabled the Arena District to leverage this valuable resource and cross-utilize their officers for security coverage in the common areas of the Arena District.

Currently, the Arena District has dedicated officers patrolling the common areas and garages 24 hours a day, 7 days a week. Special coverage is also provided in the Arena District during many of the major events held at Nationwide Arena.

Patrol is conducted via vehicle, bicycle, and on foot. The officers are highly visible throughout the business day in the Arena District, wearing white or blue uniforms and most are armed. They are here to serve our security needs; therefore, do not hesitate to approach them with any concerns, questions, or to report a suspicious person or suspected crime. We supplement these services with off duty Columbus Police Officers when needed.

All suspicious persons, solicitors, and unhoused persons on Nationwide property should be reported immediately to Protective Services by calling 614-249-6060. Emergencies should be reported to 911.

Fire and Life Safety

Property Management provides all tenants with fire and life safety instructions/information upon move-in. Refer to the separate handbook titled "Life Safety and Evacuation Plan."

Evacuation drills occur once per year. Property Management will give notification prior to the scheduled drill.
